REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: prior art of record considered as a whole alone or in combination neither anticipates nor renders obvious, the portion of the peripheral edge extending along the arcuate notches of the noncontact support means not being provided with the inside-and outside connecting sections except in the vicinity of the central position of the work, in combination with the rest of the limitations in claim 1. The closest prior art is JP 2000-280155 reference which discloses noncontact support surfaces having a plurality of pockets, a plurality of fluid supply holes, a netlike mesh section and inside veins disposed to divide the region inwardly of the peripheral edges into a plurality of sections and connected to the peripheral edges in a plurality of inside-and-outside connecting sections. However, it does not disclose the above limitations
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dung V. Nguyen whose telephone number is 571-272-4490. The examiner can normally be reached on IFP Program.
